

Ask LUNA!

Your AI Community Assistant

Date	March 3rd, 2025
Subject	Introducing LUNA

Dear Board Member,

We're thrilled to introduce LUNA, your new AI-powered Community Assistant, designed to keep you informed, connected, and supported 24/7!

With LUNA, you can now get quick and reliable answers to your community-related questions anytime, anywhere. Whether you need to check your account balance, review open work orders, ask about ARC modifications, or stay updated on community news, LUNA has you covered.

Where can you access LUNA?

- Website & Resident Portal – Chat directly online: home.homesteadmgmt.org
- Phone – Call for assistance: **(Coming Soon!)**
- SMS-Text Message – Send a text for quick responses

This AI experience is built using your community's bylaws, rules, and owner portal, ensuring that you receive accurate and relevant information every time. Conversations are secure and encrypted, and you'll need an active Vantaca portal account to use the service.

This new service initiative is rolling out now, and we encourage you to try it today! Simply text (866) 995-7905 or visit your resident portal to chat with LUNA and experience the future of community support.

Your community. Your questions. Instant answers.

Best,
Homestead Management Services, LLC.
